SHELDON KASDAN
Executive Vice President, Labor Relations, CBS

Sheldon Kasdan joined CBS in 2016 as Vice President, Labor Relations. He oversees CBS' labor relations department, with a primary emphasis on labor negotiations and strategic support of both CBS' Studio and Broadcast groups.

Kasdan is also CBS' representative on the board of directors of the Alliance of Motion Pictures and Television Producers, the trade association that represents the Studio in industry-wide collective bargaining agreements.

Fun fact: In 2000 Kasdan set the record for the highest point total in the short-lived Fox Sports game show "Sports Geniuses" (a sports trivia game show).
